SUBJECT: *FIFTEENTH ANNUAL FLORIDA DAIRY PRODUCTION CONFERENCE  
MAY 2-3, 1978*

Dear Dairy Cooperator:

The 15th Annual Florida Dairy Production Conference brought together authoritative speakers on topics of current major interest to the progressive minded dairymen and agri-business friends in attendance. Use of a variety of speakers on several topics of interest to dairymen was the approach used in presenting the information to those in attendance. The Dairy Advisory Committee, consisting of the DFI Board of Directors, is given specific thanks for their help in planning the 1978 program.

Appreciation is expressed to all who participated in making it a successful Conference. We think the Proceedings with resumes on the different topics serve as a reminder and source of information for reference.

Special appreciation is expressed to Dairy Farmers, Inc. (DFI), South Florida Independent Dairy Farmers Association (IDFA), the Tampa IDFA, the Upper Florida Milk Producers Association, and the U.S. Sugar Corporation for helping to finance the Dairy Production Conference.

Special thanks is given to the Dairy Division of the State Department of Agriculture and Consumer Services, the Federal Land Bank & Production Credit Associations of Florida, the Florida Farm Bureau Federation, PDCA, and State DHIA Board for their support and participation in the awards program on Tuesday evening, May 2.

There were ten displays presented at the 1978 Conference. We would like to express appreciation to the following representatives of those displays: Mr. Walter Oelfke, NOBA; Rodney Moore, Curtiss Breeding Service; George Manter, American Breeders Service; Danny Yant, Select Sires; Tom McAmis, Miller Machinery; Don Riesenber, Masonite Corp.; Jon Donwen, Kemin Industries, Inc.; Del Burnett, Nutri-Rations, and Bill Isaacs, Surge.

A list of those attending the conference is included.
