53rd Florida Dairy Production Conference
Thursday, April 20th, 2017

Mission Statement
The mission of the Florida Dairy Production Conference is to bring together the newest research, innovations, recommendations and ideas for improving the sustainability and profitability of the Florida dairy industry. The information presented provides practical take-home messages for dairy farmers and highlights emerging trends in the dairy industry. The conference provides a friendly learning atmosphere and networking opportunities for dairy owners and employees, allied dairy industry professionals, students and dairy educators.

Registration
Registrants receive a copy of the proceedings and are welcome to refreshment breaks, luncheon and reception. Registration fees: Early registration (ends March 31st): $50. Regular registration (April 1st to 20th): $90. To register, visit http://dairy.ifas.ufl.edu/dpc/info.shtml or contact Ricardo Chebel (phone: 352-294-4303; email: rcchebel@ufl.edu) or Francisco Peñagaricano (phone: 352-392-1981; email: fpenagaricano@ufl.edu). Registration fees may also be paid by check, cash, or credit card at the registration table.

Conference Location
The 53rd Florida Dairy Production Conference will be held in the Alto Straughn IFAS Extension Professional Development Center, 2142 Shealy Drive, Gainesville. Parking space is available. Directions: From I-75, take Exit 384 (Archer Road) and turn east towards campus; travel 2.5 miles and V off to the right onto SW 16th Ave; proceed to the first light (Shealy Drive) and turn right onto Shealy Drive.
